- For more information and reservations, please contact reception.
- The classes are subject to change without prior notice.

WEEKLY HEALTH CLUB GROUP EXERCISE TIMETABLE

Class	Format	Level	Detail
Stretching	30/45 minutes	Beginner	This class is a fundamental class that is very important in helping to improve flexibility, reduce tightness and elevate your workout routine to be more efficient and safer.
Muay Thai	45 minutes	Beginner	The class offers basic boxing footwork. Guests will enjoy learning how to move like a boxer, punch, jab, hook and uppercut. This multi-coordination training will help in improving your cardiovascular and quick-response reaction.
Agi Drill, Speed Kicks	45 minutes	Beginner	This is a combination exercise involving the upper and lower body, and fast leg movements. The most recommended exercise for improving lower-body and core strength.
Basic Yoga	45 minutes	Beginner	This class will help guests to increase mobility and flexibility, creating better body alignment and muscular balance. The instructor will supervise throughout the class and modify according to guests' yoga level.
Dynamic	45 minutes	Beginner	Dynamic stretching involves active movements that extend muscles throughout their full range of motion. These exercises simulate real-life movements, helping to warm up the body and prepare it for more intense training sessions.
Leg & Abs	45 minutes	Beginner	This workout consists of two supersets alternating between quad-dominant and hip-dominant exercises. Your muscles will remain fresh enough to power through each set effectively, promoting strength and endurance.
Body Perfect	45 minutes	Beginner	This full-body workout focuses on improving cardiovascular endurance and strengthening core muscle groups.
Fat burn	30 minutes	Beginner	Fat -burning exercises focus on engaging large muscle groups to enhance efficiency in reducing body fat. These workouts help improve metabolism and overall endurance.
